

CAPABILITY STATEMENT

Managed Print Services • Cartridges • Office Equipment • Promotional Products

Laser Lab is a Managed Services Provider you can trust to meet the growing demand for managed print, IT infrastructure and IT services solutions to improve your productivity, security and reduce costs. We partner with industry-leading experts to deliver to the right mix of services and solutions to free up staff and operate at peak performance.

Regardless of which solutions you choose, you can be confident in the level of quality and service that Laser Lab delivers.

What Sets Laser Lab Apart

- Our People
- Performance-Based Processes
- Integrated Solutions

Core Capabilities

Our technology experts and business professionals analyze research, design and implement solutions:

- Managed Print Services
- Managed IT Solutions
- Office Equipment
- Promotional Products

Managed Print Solutions

We take the stress out of printing

- PrintWeb™ MPS
- HP OEM MPS Program
- Total Care Solutions
- Preventative Maintenance

Remote PrintWeb™ Management, a web-based continuous monitoring program drives device uptime, output quality, and increased user productivity. Track, manage, and analyze data on a consistent basis with full access 24 hours a day, allowing tracking of true printing costs to streamline processes and improve your organization's productivity and bottom-line.

Our HP OEM MPS Program delivers genuine HP cartridges directly to your office, at a lower cost, and with free shipping and free labor if your machine ever breaks down.

IT Solutions

- Managed IT Services
- Cloud Computing
- Data Backup & Recovery
- Employee Security Training
- Server & Network Solutions
